Gadgil Mukherjee Formula for Balanced Development

2742. SHRI AIMADUDDIN AHMED KHAN (DURRU): Will the PRIME MINISTER be pleased to state:

(a) whether Government of Rajasthan has made any suggestions for ensuring a balanced development of the country, by way of re-adjusting the weightage given to difference in the matter of plan allocations and Central assistance, under the Gadgil Mukherjee formula;

(b) if so, the details thereof indicating the area-specific elements brought forth by Rajasthan Government in this regard; and

(c) Government's decision thereon?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRIMATI VASUNDHARA RAJE): (a) to (c) Planning Commission has received suggestions from various State Governments regarding revision of the Gadgil Formula for allocation of Normal Central Assistance for the Annual Plans of States. In this context, Government of Rajasthan has suggested that 'area' may be included as a factor in the Gadgil Formula since there is a disproportionately high cost of providing infrastructure and services in the desert areas because of low density of population. Government of Rajasthan has also called for an increase in the grant element in Plan assistance. However, there is wide divergence in the views amongst
